

ASSIGNMENT OF COPYRIGHT AND RELATED RIGHTS AGREEMENT

Document 1 of 5 — executed with every creator / supplier to the CMLP catalogue

WORKING DRAFT — for review by a qualified lawyer before use in an actual engagement. This is a courtesy English translation of the Polish-language original. In the event of any discrepancy, the Polish-language version prevails and governs; the agreement is subject to Polish law. Dotted fields are filled in by hand after printing.

Made on (date):

in (place):

between:

Creative Music Licensing Partners (Hardban Records Lab), hereinafter the “Assignee”,

registered address:

Tax / VAT ID:

and

Full name / entity name of the Creator:

address:

ID document no. / national ID no.:

e-mail:

hereinafter the “Creator”, together the “Parties”, as follows:

§ 1 Subject Matter

1. The Creator represents that they are the sole and exclusive creator of / sole rightholder to the musical work(s) listed in Appendix 1 (the “Work(s)”), and that, if a Work was created with the use of an AI tool, the Creator holds full rights from that tool's provider enabling this assignment to be made.
2. The Creator assigns to the Assignee the entirety of the economic copyright and related (neighbouring) rights in the Work(s), covering both the rights in the composition/lyrics and the rights in the recording (master).

§ 2 Fields of Exploitation

The assignment of rights covers: (a) recording and reproduction by any technique; (b) placing on the market, rental, lending; (c) making available to the public online (streaming); (d) synchronisation with visual media (film, advertising, games); (e) public performance, exhibition, broadcasting and rebroadcasting.

§ 3 Territorial and Time Scope

The rights are assigned without territorial limitation (worldwide) and for an unlimited term, to the maximum extent permitted by applicable law.

§ 4 Consideration

Amount / payment terms:

§ 5 Brand and Anonymity

The Creator consents to the Work(s) being published and licensed solely under the “CMLP” brand, without disclosure of the Creator's personal/artistic identity — in accordance with the Confidentiality and Anonymity Clause (Document 2) and the Non-Exercise of Moral Rights Undertaking (Document 3).

§ 6 Representations and Warranties

The Creator represents that the Work(s) do not infringe any third-party rights, are not subject to any other exclusive agreement, and are not registered with any collective rights management organisation — in accordance with the separate Creator's Statement (Document 4).

§ 7 Final Provisions

Amendments to this agreement require written form on pain of invalidity. Matters not regulated herein are governed by the applicable copyright and related rights act and the Civil Code of the Republic of Poland; the courts of Poland have jurisdiction.

CONFIDENTIALITY AND ANONYMITY CLAUSE

Document 2 of 5 — addendum to the Assignment of Rights Agreement (Document 1)

WORKING DRAFT — for review by a qualified lawyer before use in an actual engagement. This is a courtesy English translation of the Polish-language original. In the event of any discrepancy, the Polish-language version prevails and governs; the agreement is subject to Polish law. Dotted fields are filled in by hand after printing.

Addendum to the agreement dated:

made between the Assignee and the Creator:

1. The Creator undertakes not to publicly disclose (via social media, portfolio, interviews, promotional materials) their involvement in creating any specific Work(s) covered by the agreement, and not to publicly claim authorship in a manner that identifies them as the creator of a given Work in the CMLP catalogue.
2. The Creator may refer generally to a collaboration with “CMLP” (e.g. in a CV), but without naming the specific titles of Works covered by this clause.
3. A breach of this clause may result in a contractual penalty in the amount of:
4. The confidentiality obligation is indefinite / applies for a period of years from the date of the agreement.

Contractual penalty amount (if applicable):

NON-EXERCISE OF MORAL RIGHTS UNDERTAKING

Document 3 of 5 — appendix to the Assignment of Rights Agreement (Document 1)

WORKING DRAFT — for review by a qualified lawyer before use in an actual engagement. This is a courtesy English translation of the Polish-language original. In the event of any discrepancy, the Polish-language version prevails and governs; the agreement is subject to Polish law. Dotted fields are filled in by hand after printing.

The Creator acknowledges that moral rights (including the right to have a work marked with the creator's name or pseudonym) are non-transferable and remain vested in the Creator. At the same time, the Creator undertakes not to exercise this right in respect of the Work(s) covered by this agreement — in particular, the Creator undertakes not to request attribution as author in materials published and licensed by CMLP, and consents to the Work(s) being published solely under the “CMLP” brand.

CREATOR'S STATEMENT

Document 4 of 5 — appendix to the Assignment of Rights Agreement (Document 1)

WORKING DRAFT — for review by a qualified lawyer before use in an actual engagement. This is a courtesy English translation of the Polish-language original. In the event of any discrepancy, the Polish-language version prevails and governs; the agreement is subject to Polish law. Dotted fields are filled in by hand after printing.

I, the undersigned

Full name:

hereby state that:

1. I am the sole/exclusive author of, and sole rightholder to, the Work(s) listed in Appendix 1 to the Agreement, or I hold the power of attorney/consent of all co-creators to enter into this agreement on their behalf;
2. the Work(s) are not, and will not be, registered with any collective rights management organisation (such as ZAiKS, STOART, ZPAV, or any other), and if they were previously registered, such registration was withdrawn prior to the date of this agreement;
3. the Work(s) are not subject to any other licence, distribution, or publishing agreement that would conflict with the rights assigned to CMLP under this agreement;
4. if the Work(s) were created using AI tool(s), the terms of service of the tool(s) used permit commercial use and further assignment of rights in the generated material;
5. I bear full legal and financial responsibility for the untruthfulness of the above statements, including for any third-party claims arising from a breach of these representations.

AI tool(s) used, if any + date terms of service were verified:
